

Atlas skilltech University

HEI Profile & Administrative Information :

Application submitted for :

Academic Year: 2025-26

Academic Session: January

Programme to be offered in: OL

HEI Basic Information :

Registration ID: HEI-P-U-1145	Name of the HEI: Atlas skilltech University	Institution Type:	Year of Establishment: Aug 2021	Mode of Education: Dual Mode	City: Mumbai	District: Mumbai Suburban district
Address_1: Building A, CTS No. 83,83/1 to 19 of Village Kurla, Taluka Kurla,	Address_2: Located at LBS Marg, Kurla West	Pin Code: 400070	State: MAHARASHTRA	Email: registrar@atlasuniversity.edu.in		
Telephone: 9892202233	Official Website of HEI: https://atlasuniversity.edu.in	Official website for Online Learning : https://atlasonline.edu.in				

HEI Authorities

Vice Chancellor

Name of the Vice Chancellor: Dr. Rajan Welukar	Vice Chancellor Official Email: vc@atlasuniversity.edu.in	Vice Chancellor Mobile: 9821487387	Phone (Office): 9821487387
---	--	---------------------------------------	-------------------------------

Registrar

Name of the Registrar: Dr Parag Amin	Registrar Official Email: registrar@atlasuniversity.edu.in	Registrar Mobile: 9820424420	Phone (Office): 9820424420
---	---	---------------------------------	-------------------------------

Director of Centre for Distance and Online Education (CDOE)

Name of Director of Centre for Distance and Online Education(CDOE) / Director of Online Education(COE) * Dr. Deepak Gupta	Email Id(Official): director.cdoe@atlasuniversity.edu.in	Mobile No: 9987822170	Designation: Associate Professor
Highest Education Qualification: PhD	Date of Joining: 13-08-2024	Appointment Letter: View	Joining Report: View

HEI Recognition

Recognition status of the HEI as per UGC Act, 1956: SECTION 2(f)	Approval of Statutory Authority: Yes	Copy of relevant page of act allowing HEI to offer the programme in OL : View
Whether HEI has approval of the statutory bodies for offering the programme in ODL or Online or Both mode: Yes	Upload the duly signed minutes of the meeting/relevant document View	

UGC DEB Recognition

Whether HEI is recognized by UGC, DEB under UGC (ODL) Regulations, 2017/ UGC (Online Courses or Programmes) Regulations, 2018 or UGC (ODL Programmes and Online Programmes) Regulations, 2020?

No

Compliance of Commission decision regarding uploading of annual report of CIQA for recognized/entitled academic year(s):-

Reason (If No):

Whether the HEI has implemented the mandatory UGC DEB ID for enrolling learners under Open and Distance Learning and/or Online mode: :-

		Expected outcome	The quality of the program depends on the course curriculum and syllabus which meets the requirement of the industry and creates the skilful learning in the students. The ultimate aim of MBA program is to enhance skills of the learners as managers, entrepreneurs and seeing them excel in their profession and meeting global standards too by upgrading their career opportunities. The Centre for Distance and Online Education- Atlas Skilltech University, Mumbai has constituted Centre for Internal Quality Assurance (CIQA). The CIQA will do periodic assessment of the online learning course material and audio video tutorials and will assure that the quality of learning is maintained and changes are made from time to time as per the requirement of the course. The CIQA will also access the quality of assignments, quizzes and end term assessment time to time and required changes will be assured by them to maintain the quality of the learning program. CIQA will assure that the learning is made a truly global experience for the learner along with inculcation of required skills in the learner as expected program outcome with CDOE-ATLAS, Mumbai. The university will work continuously for the betterment of processes, assessments, teaching methodology, e-learning material improvisation as per four quadrant approach and implementation of the same as per National Education Policy. The University is committed to deliver the best education in all the learning modes with adherence to NEP, UGC and other regulatory guidelines in truly global sense
		Whether Programme Project Report (PPR) prepared for the Programme and approved as per Regulation 13 and Annexure V of UGC (ODL Programmes and Online Programmes) Regulations, 2020	
		Whether HEI ensures the compliance of provisions for the Programme Project Report (PPR) as mentioned in Annexure V of UGC (ODL Programmes and Online Programmes) Regulations, 2020

Learning Management System (LMS)

Counselling Process

Mode of Counselling :- Online

Brief describe the provision in LMS to be used by HEI :-

1. Platform Design and Accessibility • The LMS is web and mobile responsive, accessible on desktops and smartphones. • It provides a user-friendly interface with semester-wise course segregation, enabling easy navigation. • Integrated with video conferencing tools for live two-way faculty-student interaction. 2. Content Management • Supports multiple file formats: PDF, Word, PPT, MP4, HTML5, and SCORM. • Content (including audio/video) is hosted on Amazon Cloud Services, ensuring scalability, security, and reliability. • Provides Reusable Learning Objects (RLOs) for modular and department-level content reuse. 3. Four-Quadrant UGC-Compliant Approach The LMS aligns with the UGC-SWAYAM four-quadrant model: 1. E-Tutorials – Recorded lectures and animations. 2. E-Content – E-books, study guides, and external web resources. 3. Discussion Forums – Real-time collaborative sessions and faculty-moderated forums. 4. Assessment – MCQs, assignments, and subjective assessments. 4. Interactive and Learner Engagement Features • Live interactive sessions, discussion forums, and gamified learning ensure engagement. • Regular alerts and notifications (via email/SMS) for assignments, sessions, and deadlines. • Attendance, participation, and progress are tracked in real time. 5. Student and Faculty Dashboards • Students: Track progress, view completion status, and access content by semester. • Mentors/Faculty: Monitor live class participation, assignment completion, and student queries. • Admin: Access to performance analytics, reports, and system management tools. 6. Assessment and Examination • Online Continuous Internal Assessment (CIA) and Term-End Exams conducted via remote proctoring with AI facial recognition, navigation control, and live monitoring. • Assignments are Aadhaar-authenticated for learner verification. • The platform allows objective and subjective assessments with automated grading and evaluator dashboards. 7. Security and Compliance • IP-based tracking and learner authentication ensure transparency and academic integrity. • Data protection through encrypted servers and role-based access controls. • Fully aligned with UGC (ODL & Online Programmes) Regulations, 2020. 8. Faculty Training and Quality Assurance • Faculty are trained to create, develop, and deliver online courses on the LMS. • The CIQA and Content Review Committee (CRC) oversee content quality, alignment with course outcomes, and periodic improvements. • Feedback loops from students, faculty, and industry experts enhance ongoing course refinement.

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :- <https://lms.atlasonline.edu.in/login>

<p>Assessment mechanism</p>	<p>Our online assessment system for online programmes is as per the guidelines of UGC; it follow a transparent and structured approach ensuring academic rigor and learner accountability. The assessment mechanism consists of two major components: 1. Continuous (Formative) Assessment o Conducted periodically throughout the semester. o May include assignments, quizzes, discussion participation, projects, and internal evaluations. o Carries a maximum weightage of 30% of the total marks. o Learners' participation in at least 75% of online activities (such as live sessions, assignments, and forums) is mandatory before appearing for term-end examinations. 2. Summative Assessment (End-Semester or Term-End Examination) o Constitutes a minimum of 70% weightage of the overall evaluation. o Examinations are conducted online in a proctored environment, ensuring transparency and credibility. o The exams can be held using computer-based tests or technology-mediated remote proctoring systems. o Learners' attendance and identity are authenticated by Proctor through Aadhaar or government-issued IDs for Indian students and Passports for international learners. • We have UGC guidelines for conduct of proctored examinations and ensure no part of the assessment process is outsourced. • We maintain robust examination management systems which is handled by our Controller of examination • Our In-house Faculty develop rigorous question papers, question banks and further they also handle the online proctoring process during examination. • Our System record marks separately for continuous and term-end assessments on the grade card. As per the ugc norms; we would ensure that the learners have achieved at least 75% participation in online learning activities before taking the end-semester exams. Our overall online examination process upholds the integrity, transparency, and equivalence of evaluation standards compared to conventional education system.</p>
<p>Identified technological interface and interoperability</p>	<p>Our Learning Management System (LMS) demonstrates a robust technological interface and strong interoperability features that align with UGC Online and ODL Regulations, 2020. 1. Multi-Device and Platform Accessibility Our LMS is fully web-based and mobile responsive, allowing seamless access through desktops, laptops, and smartphones. It is compatible with major browsers such as Google Chrome, Firefox, Safari, and Internet Explorer, ensuring flexibility for learners across diverse devices and operating systems. 2. Integration of Multiple Delivery Mechanisms Our LMS integrates a wide array of technological tools that enable synchronous and asynchronous learning. These include: • Video conferencing systems for live interactive classes and webinars. • Instant messaging tools and discussion forums for peer-to-peer and faculty-learner interactions. • Support for diverse content formats such as SCORM packages, HTML5, MP4, PDF, Word, and PPT files, enabling compatibility with standard e-learning resources. 3. Cloud-Based Architecture and Data Management All our learning materials—including text, audio, and video—are hosted on Amazon Cloud Services, which ensures scalability, reliability, and high availability of content. The use of cloud-based servers provides automatic incremental storage, ensuring continuous accessibility and data integrity. The system architecture separates the application and database servers, enhancing performance and security. 4. System Interoperability and Standards Compliance Our LMS supports interoperability through compliance with SCORM and HTML5 standards, allowing integration with external applications and ensuring reusability of learning objects. Reusable Learning Objects (RLOs) are modular and can be cloned across programs and departments, reflecting a high level of interoperability and efficient course management. 5. Secure and Scalable Infrastructure Our system employs role-based access control for different users—students, faculty, mentors, administrators, and examiners—ensuring data security and user-specific functionality. It can handle large concurrent user sessions through auto-scaling capabilities on the cloud, maintaining stable performance even with thousands of users simultaneously logged in. . 6. Alignment with UGC Interoperability Standards In line with UGC guidelines, our LMS provides a user-friendly interface and adheres to accessibility standards for learners with special needs, ensuring inclusivity. The platform is capable of utilizing a range of technology tools and maintains interoperability across various learning components and systems.</p>

<p>Learner's Authentication Requirements</p>	<p>Atlas University implements a robust learner authentication mechanism across all stages of the student lifecycle—admission, course participation, and assessment—ensuring compliance with the UGC (Online and ODL Programmes) Regulations, 2020. 1. Admission-Level Authentication At the time of enrollment, students are required to verify their identity through the DEB ID Validation Process, which includes submission of Aadhaar card or other government-issued photo ID along with passport-size photographs. Our university staff verifies these documents online before granting access credentials to the LMS. Only after successful verification are students issued secure login IDs and passwords, sent to their registered email addresses for accessing the LMS. For international learners, authentication is conducted exclusively through passport verification, and such learners are required to pursue online programs from their country of residence, as per UGC's directive. 2. Course and LMS Access Authentication Each student's access to courses, live classes, and assessments is restricted to registered users through unique LMS credentials. The system also employs IP-based tracking and maintains detailed log reports capturing login times, duration of LMS activity, and module completion status. This ensures that only authenticated learners participate in academic activities 3. Assessment and Examination Authentication During online assignments and examinations, additional layers of verification are enforced: • An Aadhaar-based OTP verification before assignment submission • Live Proctor monitoring by University Faculty members, AI-driven facial recognition, and image capturing during examinations. • Unique, session-specific exam passwords and security codes, shared only with verified students. • These steps maintain examination integrity and prevent impersonation or malpractice. 4. Compliance with UGC Requirements Our University follows all norms as per UGC guidelines that all Indian learners must authenticate their identity using Aadhaar or equivalent government-recognized identifiers during enrollment, synchronous/asynchronous participation, and examinations. Our University provides the necessary infrastructure to enable this authentication process. International learners would authenticate using passports, ensuring parity and security in learner verification.</p>
<p>Learner Registration - through a web application</p>	<p>Our University facilitates a seamless, fully digital learner registration process through a secure web-based application integrated within the Learning Management System (LMS). This process ensures authenticity, efficiency, and compliance with the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020. 1. Online Registration Interface The learner registration process begins with a dedicated online admission and registration portal accessible via the Atlas Skilltech University's official website. • Students after paying the registration fees; they are required to create an online profile by entering their personal, educational, and contact details. • The portal provides a user-friendly interface for uploading scanned copies of necessary documents such as: o Government-issued ID (Aadhaar / Passport) o Educational certificates and transcripts o Passport-size photograph and signature 2. Verification and Approval Workflow Once the learner submits the registration form, the application moves through an automated workflow for document verification and approval: • Our university's admission team verifies the details and uploaded documents by the students. • For eligible cases; the Learners needs to pay the applicable program fees. • International learners' credentials are validated through passport authentication and location checks to ensure compliance with UGC guidelines for offshore enrollment. 3. Secure Access Credentials After above process for eligible students, each student is provided with: • A unique login ID and password to access the LMS. • Secure credentials linked to their verified email and mobile number. • Access allowing learners to participate in courses, view academic schedules, and communicate with faculty. This ensures that only authenticated, verified learners gain access to the university's online learning ecosystem. 4. Integration with Institutional Systems The registration system is fully integrated with: • ERP and LMS platforms, ensuring that student data flows seamlessly across academic, examination, and administrative modules. • Payment gateways for secure fee transactions. 5. Compliance and Data Security All personal and academic data is handled in accordance with the Digital Personal Data Protection Act (DPDPA) 2023 and UGC's data management norms. The web application uses SSL encryption and CAPTCHA protection to safeguard against unauthorized access.</p>
<p>Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting</p>	<p>Atlas Skilltech University's Learning Management System (LMS) ensures comprehensive learner engagement through synchronous and asynchronous interactions, coupled with detailed analytics and reporting features that align with UGC's Online Programme Regulations, 2020. 1. Learner Engagement Mechanisms Our LMS promotes active participation through multiple engagement formats: • Synchronous (Live) Sessions: Faculty conduct live, interactive sessions for each chapter, allowing real-time discussions, question-answer interactions, and case-based learning. Attendance for these sessions is tracked automatically within the LMS. • Asynchronous Activities: Students engage through discussion forums, self-paced learning videos, quizzes, and gamified assessments. Faculties moderate these forums, where learners post reflections and respond to peers' contributions to foster collaborative learning. • Mentorship Support: Dedicated mentors are mapped to groups of 250 learners, as per UGC norms, to guide, monitor progress, and ensure continuous motivation through monthly calls and periodic follow-ups. 2. Analytics for Learner Engagement Atlas Skilltech University's LMS integrates a detailed analytics and reporting system that provides insights into learner participation, performance, and engagement patterns: • Attendance Tracking: The system automatically logs attendance for live sessions and asynchronous activities, maintaining daily records for every learner. • Activity Reports: The LMS generates reports capturing the number of hours spent on LMS, modules completed or pending, and total interaction time with course material. • Learning Resource Utilization: Faculties can access reports that present subject-wise consumption analytics, including engagement with videos, readings, assignments, and discussion forums. 3. Automated Alerts and Notifications To maintain active learner participation, the LMS deploys automated notifications: • Email/SMS alerts for upcoming live classes and assignment deadlines (sent 2 days and 2 hours prior). • Login reminders if a learner has not accessed the LMS for seven days. • Alerts for pending discussion forum participation and assessment submissions. 4. Reporting and Faculty Monitoring The LMS provides multi-level report access: • Displays data on live class attendance, submitted assignments, and student queries. • Shows learner progress, participation status, and unresolved doubts.</p>

Payment Gateway –using Digital Payment system

Atlas Skilltech University has implemented a secure, fully integrated digital payment gateway within its online admission and Learning Management System (LMS) framework. This ensures that all financial transactions related to online programs — such as registration, tuition fees, and examination charges — are processed seamlessly, transparently, and in compliance with UGC and Government of India digital transaction norms.

- 1. Integrated Digital Payment System** We use a unified online payment interface (UPI)-enabled gateway that is linked to the learner registration and admission portal. This allows students to make payments directly through multiple digital channels, including:
 - UPI / BHIM / QR-based payments
 - Credit and debit cards (Visa, Mastercard, RuPay, etc.)
 - Net banking from nationalized and private banks
 - Wallet-based payments and digital banking appsEach transaction is processed through a Payment Service Provider (PSP) authorized by the Reserve Bank of India (RBI), ensuring high standards of data security, transparency, and compliance.
- 2. Real-Time Transaction and Acknowledgment** Upon successful payment, the system automatically generates a digital receipt with a unique transaction ID and timestamp.
 - The receipt is sent instantly to the learner's registered email and mobile number.
 - Failed or incomplete transactions are automatically rolled back, with prompt notification to the learner.
 - Learners can also download payment receipts anytime through their LMS "My Account" dashboard, maintaining complete financial transparency.
- 3. Integration with Admission and ERP Systems** The digital payment gateway is directly integrated with the University's ERP and Finance systems, ensuring automated posting of receipts and reconciliation.
 - The payment confirmation activates the learner's enrollment process automatically in the LMS.
 - The system allows real-time reporting of collected fees to the administrative and finance departments.
 - This integration minimizes manual intervention, reduces errors, and ensures accurate audit trails.
- 4. Security and Compliance Measures** The payment gateway adheres to the following data security and compliance protocols:
 - PCI-DSS (Payment Card Industry – Data Security Standard) compliance.
 - SSL (Secure Socket Layer) encryption for all transactions.
 - Two-factor authentication (OTP-based verification) to prevent unauthorized access.
 - Regular audit logs and transaction monitoring to ensure financial integrity.These measures ensure that student payment data remains confidential and fully protected throughout the transaction lifecycle.
- 5. Alignment with Government Initiatives** Atlas Skilltech University's payment infrastructure supports the Government of India's "Digital India" and "Cashless Campus" initiatives, encouraging students to adopt safe, traceable, and efficient digital payment practices.

Tracking the delivery of a Course or programme

Atlas Skilltech University employs a comprehensive digital tracking system integrated within its Learning Management System (LMS) to monitor, manage, and evaluate the delivery of each course and programme offered through the online mode. This ensures effective implementation, faculty accountability, and continuous quality improvement in line with the UGC (Open and Distance Learning and Online Programmes) Regulations, 2020.

- 1. Structured Course Delivery Plan** Every online programme follows a predefined academic calendar that includes timelines for content release, live sessions, assignments, and examinations.
 - The LMS is programmed to release course modules sequentially, aligned with the approved syllabus and learning outcomes.
 - Each module contains e-tutorials, self-learning materials (SLMs), case studies, assignments, and discussion forums, ensuring comprehensive coverage of the four-quadrant model.
 - The Course Coordinator and Program Coordinator oversee academic pacing to ensure timely content delivery and adherence to the schedule approved by the Academic Council and CIQA.
- 2. Monitoring through LMS Analytics** The LMS features built-in tracking and analytics tools that monitor:
 - Learner access logs (date, time, and duration) for each module.
 - Completion status of individual topics, assignments, and assessments.
 - Attendance for live sessions and participation in discussion forums.This data is captured and reflected in course progress dashboards accessible to faculty, coordinators, and administrators.
- 3. Faculty and Administrative Oversight**
 - Faculty are required to upload lecture schedules, conduct live sessions, and record attendance through the LMS.
 - The Program Coordinator reviews course completion status weekly, while the Director (CDOE) review monthly reports on overall programme delivery.
 - Periodic academic audits ensure that all modules are being delivered as per the approved course matrix and instructional design.
- 4. Learner Progress and Engagement Reports** The LMS automatically generates learner-specific progress and performance reports, summarizing:
 - Modules completed versus pending.
 - Time spent on each unit and overall engagement.
 - Assessment completion and grades achieved.These reports are used by mentors and academic counselors to identify learners requiring academic intervention or support, ensuring no student is left behind.

Technical Know-how or Skills Requirements

Atlas Skilltech University ensures that both learners and faculty possess the necessary technical know-how and digital skills to effectively participate in and manage the online learning process. These requirements are clearly defined, communicated during admission and orientation, and supported through training and continuous assistance. This framework aligns with the UGC (Open and Distance Learning and Online Programmes) Regulations, 2020, which mandate that learners and teachers be technologically equipped to use digital learning systems efficiently.

1. Technical Requirements for Learners To access and engage with online programs effectively, learners are expected to have:

- Basic Computer Proficiency: Understanding of web browsing, use of email, file downloads, and document viewing.
- Hardware Specifications: o Desktop, laptop, or tablet device with at least 4 GB RAM, dual-core processor, and webcam. o Headphones with an integrated microphone for interactive sessions.
- Software Requirements: o Updated web browsers such as Google Chrome, Firefox, or Safari. o PDF reader, MS Office or compatible tools for assignments and projects.
- Internet Connectivity: o Stable broadband or Wi-Fi connection with a minimum 1 Mbps upload/download speed (recommended 3–5 Mbps for live classes). o Access to mobile data (4G/5G) as a backup option for continuity in learning.

These requirements ensure that learners can smoothly access the LMS, live classes, e-content, discussion forums, and online examinations.

2. Technical Requirements for Faculty and Mentors Faculty members and academic mentors are trained and expected to demonstrate:

- Proficiency in Digital Teaching Tools: Use of the LMS for uploading e-content, conducting live classes, grading assignments, and interacting with students.
- Content Development Skills: Ability to design e-tutorials, create Self-Learning Material, PowerPoint-based lectures, record video lessons, and apply multimedia integration.
- Familiarity with the Four-Quadrant Pedagogical Model: Developing and delivering content as per UGC's e-learning framework—e-tutorials, e-content, discussion, and assessment.
- Experience with Virtual Communication Platforms: Using video conferencing and online collaborative tools for synchronous sessions and feedback interactions.

3. Institutional Support and Capacity Building Atlas Skilltech University provides extensive orientation and training programs for both learners and faculty:

- Student Orientation Sessions: Conducted at the start of every admission cycle to guide learners on LMS navigation, accessing e-resources, using digital payment systems, and appearing for proctored examinations.
- Faculty Development and FDPs: Workshops under the Centre for Distance and Online Education (CDOE) to train faculty on digital pedagogy, recording tools, and online assessment systems.
- Technical Support Helpdesk: A support cell assists learners and faculty with login issues, content access problems, or technical troubleshooting.

Briefly write on ICT facilities available/ to be ready dedicated for the implementation of Online Courses :-

Atlas SkillTech University has established a strong Information and Communication Technology (ICT) infrastructure to support the seamless delivery and management of its online degree programs. The system is centered around a cloud-based Learning Management System (LMS) hosted on Amazon Web Services (AWS), ensuring scalability, reliability, and 99% uptime. The LMS provides a user-friendly, mobile-responsive interface that allows learners to access e-content, attend live classes, and engage in interactive discussion forums. It supports multiple content formats (videos, PDFs, SCORM, PPTs). To ensure academic integrity and inclusivity, the platform integrates secure authentication measures such as OTP verification during Assignment Submission, facial recognition for online proctored exams, and IP-based tracking. In addition, it offers real-time analytics dashboards for tracking learner engagement, attendance, and performance. The university also maintains dedicated cloud storage, high-speed connectivity, and learner support, ensuring uninterrupted access to digital learning. These facilities collectively provide a robust, compliant, and learner-centric ICT ecosystem, fully aligned with UGC's regulatory framework for online programs.

Whether HEI ensure the compliance of entry level qualifications, curriculum, teaching-learning scheme, pattern of question papers for end semester examination or term end examination, pass or fail criteria for all proposed programmes under both mode is same as for conventional programme:-
Yes

Whether all proposed programmes are being offered by the constituent colleges or Departments or Centre for Distance and Online Education:- Yes

Whether the National Credit Framework (NCrF) is being followed for conventional mode:- Yes

Whether the National Credit Framework (NCrF) will be followed for Both(ODL & OL):- Yes

Whether total Programme fee includes all components as per UGC Norms:- Yes

Whether HEI follows the UGC Norms/guidelines for fee and refund policy:- Yes

Whether 75% attendance in all the activities of the ODL/OL Programmes prior to end semester examination or term-end examination:- Yes

Whether Weightages to continuous assessment and end-semester examinations or term-end examinations as per the clause mentioned in the Regulations:- Yes

Whether HEI follows Pass/Fail Criteria as per UGC norms :- Yes

Whether Programme Project Report (PPR) prepared for all proposed Programmes and approved as per Regulation 13 and Annexure V of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :- Yes

Whether HEI ensures the compliance of provisions for the Programme Project Report (PPR) as mentioned in Annexure V of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :- Yes

Whether HEI adheres to the compliance of provisions mentioned in Annexure VI of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :- Yes

Preparedness of SLM of all proposed programmes is as per Annexure VII of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :- Yes

Whether HEI adheres to the compliance of provisions mentioned in Annexure VII of UGC (ODL Programmes and Online Programmes) Regulations, 2020 :

Preparation of Learning Material:- Yes	Preparedness of Learning Material:- Yes
---	--

Whether the Contents of Programme Project Report (PPR) of all proposed programmes contain the following points:

Programme's mission and objectives: Yes
 Relevance of the programme with HEI's Mission and Goals: Yes
 Nature of prospective target group of learners: Yes
 Appropriateness of programme to be conducted in Open and Distance Learning and/or Online mode to acquire specific skills and competence:
 Yes
 Instructional Design: Yes
 Procedure for admission, curriculum transaction and evaluation: Yes
 Requirement of laboratory support and Library Resources: Yes
 Cost estimate of the programme and the provisions: Yes
 Quality assurance mechanism and expected programme outcomes: Yes

Proposed Examination center for term-end Examination for ODL/Online programmes for Upcoming Academic Years:

Whether examination center is within the territorial jurisdiction of the HEI as per regulations: No
 Whether the examination center is located as per Regulations: No
 Provision of CCTC Cameras: No
 Provision of Bio-metric attendance: No
 Provision of Video recording: No

Computerization / Digitization Status

Srno	Activities	Yes / No
1	Student registration / Admission	Yes
2	Administration	Yes
3	Finance	Yes
4	Academic activities	Yes
5	Student Support System	Yes

[View](#)

Submission

It is hereby declared and affirmed that the Higher Educational Institution shall adhere to all the provisions mentioned under the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 including following Annexures

- Centre for Internal Quality Assurance (CIQA) in Annexure I
- Conduct of Examination and Minimum Standards for Examination Centres in Annexure II
- Territorial Jurisdiction and Regulating Provisions for Different Types of Higher Educational Institutions in Annexure III (For ODL Programmes)
- Human Resource and Infrastructural Requirements in Annexure-IV
- Guidelines on Programme Project Report (PPR) in Annexure-V
- Quality Assurance Guidelines of Learning Material in Multiple Media and Curriculum and Pedagogy in Annexure-VI
- Guidelines on Self-Learning Material and E-Learning Material in Annexure-VII
- Learner Support Centres in Annexure-VIII
- Assessment Criteria for Offering Online Programmes through Non-SWAYAM Learning Platform as per Annexure-IX
- Grievance Redress Mechanism in Annexure-X

Further undertakes to ensure that the HEI shall display on its website a joint declaration by authorized signatories, Registrar and Director of Centre for Internal Quality Assurance, authenticating the documents uploaded on its website, in compliance of regulation 9 of UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

The HEI hereby declare that the information given above and in the enclosed documents is true, correct and nothing material has been concealed therein. The Higher Educational Institution shall be solely responsible for any legal issues arising out of non-compliance of UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

The HEI understand that in case information provided is found to be contrary to the fact, it would entail not only withdrawal of permission/recognition for such ODL courses but also for other courses offered by the institutions, on regular and conventional mode

As per Regulation 5(7) No Higher Educational Institution shall offer any Open and Distance Learning Programme and/or Online Programme and admit learners thereto unless it has been granted recognition by the Commission and admission shall not be made in anticipation of the recognition.

HEIs may please note that the mere submission of an application should not be considered as grant of approval and that all application(s) shall be subject to scrutiny with respect to the standards stipulated in the UGC (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 and its amendments.
